

DESCOLIND PURE

WASH

Fragrance-free cleansing lotion - sensitive skin

- Fragrance- and colorant-free for sensitive skin
- With allantoin, refattening agents and glycerin
- Mild cleansing and pH skin neutral

Product description

DESCOLIND PURE WASH is a pH skin-neutral wash lotion for the regular cleansing of sensitive hands and skin. The formulation with refattening agents and glycerin reduces drying of the skin during washing. The creamy, delicate **DESCOLIND PURE WASH** wash lotion cleans thoroughly and is economical in use. In addition, **DESCOLIND PURE WASH** is free of fragrance and colorants and is therefore suitable for use on intact and sensitive skin.

Range of application

DESCOLIND PURE WASH is perfect for cleaning the hands of people with sensitive skin. **DESCOLIND PURE WASH** is also suitable for cleaning hands before surgical or before or after hygienic hand disinfection.

Application

Hand washing: Foam up wash lotion with luke warm water, thoroughly rinse hands and interdigital areas and dry hands with single-use hand towels.

Ingredients

AQUA, SODIUM LAURETH SULFATE, SODIUM CHLORIDE, COCAMIDOPROPYL BETAINE, ALLANTOIN, GLYCERIN, SORBITAN SESQUICAPRYLATE, CITRIC ACID, SODIUM BENZOATE.
