ABOUT US:

“Bournas Medicals” is a modern **Greek** company, operating since 1988 in the production and trade of **medical disposable products** and **health supplies**. A **leader** company with **productive** and **import** activity, while it has a dynamic presence with active **export activity** in more than **50 countries worldwide**.

With our extensive catalogue of certified products, we provide complete solutions covering the needs of every business or corporate entity that trades and distributes medical and health consumables. Thus, indirectly but effectively we support the services of various sectors:

- Medical and hospital care
- Health and safety
- Beauty and wellness.

Our Vision:

We **inspire** companies related to our products all **around the world**. We are the **No. 1 choice** for the wholesaler of health supplies.

Our Mission:

We **support** the modern wholesale **business** as **one stop point** for the **supplies of medical and health disposable products**.

Our Goals:

- To provide **products** that **meet** the **strictest criteria** and **certifications**.
- To **adjust our pricing policy** and **catalogue** in a way **that ensures the increase of sales for our customers**.
- The creation of **certified affordable** medical consumables, through our own brand label (“**SOFTCARE**”), based on the needs and trends of the markets we operate.
- The continuous **expansion** of our **catalogue** with new products & options.
- To support our **B2B** network of **customers worldwide**, with high level after-sales services and training for our products.
